EDUCATION

BFA in Graphic Design from the University of Massachusetts Dartmouth 2009.

PROFICIENCY

My strengths lie in my strong interests for typography, and branding. It's my passion to bring out conceptual ideas and give them a visual home. Even more so when combining different visual styles. I have seven years experience in using the Adobe suite. Adobe Illustrator CS5, Photoshop CS5, InDesign CS5, Aftereffects CS5, Flash CS5, Dreamweaver CS5, Final Cut Pro, book binding, screen printing, css, xhtml, and action script 3.0

EXPERIENCE

DESIGN CONTRACTOR 2010 October - Current

Piehead Productions, Freelance design company based in Portsmouth, NH. Work ranged from designing web layouts, as well as design assets for numerous projects.

PRODUCTION ASSISTANT 2010 April - 2011 January

EveryScope Inc, Editing and manipulating panoramas in a quick pace working environment. With this job, I've learned more things about photoshop, then ever. From color correcting, to removing artifacts, I do it all.
